CL-07

LENS

- Top grade opal acrylic lens.
- Standard size
- Custom lens are available, please consult factory for minimum quantities and lead times.

APPLICATION

- Efficient and beautiful. A all around fixture.
- It's application areas include hallways/corridors, offices and hospitality.

HOUSING

- Can be made of almost any material.
- Comes with a standard brushed aluminum or powder coat finish.
- When powdercoated, metal goes through a degreasing process before painting. Powdercoat paint is then applied and baked to ensure longevity.
- Removable face to facilitate servicing and lamp replacement.
- For custom finishes please consult factory.

COMPONENTS

- Ballast is electronic normal power factor and operates at 120v
- UL listed for Damp Location. Available in Wet Location as well.
- High Power Factor and other voltages also available upon request.
- Other options include emergency back up ballast, occupancy sensors, dimming ballasts, photocells and other specifications.
- Consult factory for any special requirements or specifications.
