Decorative LED Bowl Pendant Light Fixture

Shown in Bronze finish and Faux Alabaster lens

Elegant pendant light fixture composed of a nice spun aluminum trip and a formed bowl acrylic. This fixture is made to order so finish, lens color, LED color temperature and CRI can all be selected when ordering. High lumen output options allow this fixture to be used in different applications such as libraries, lobbies, corridors, conference rooms and more. Diffuser is offered in white (standard) or faux alabaster, honey onyx, or different color acrylic. The trim and bowl are hung from the canopy with air craft cables which allows height adjustability or leveling on sloped ceilings on the field.
