CLW-1028

LENS

- Top grade opal acrylic lens.
- Standard size
- Custom lens are available, please consult factory for minimum quantities and lead times.

APPLICATION

- Commonly used in residential and commercial spaces. Can be used in interior and exterior applications such as, hallways/corridors, offices, residential rooms, exterior walls, restaurants.

HOUSING

- Can be made with almost any material.
- Comes with a standard powder coat finish.
- When powder coated, metal material goes through a degreasing process before painting. Powder coat paint is then applied and baked to ensure longevity.
- For custom finishes please consult factory.

COMPONENTS

- Ballast is electronic normal power factor and operates at 120v
- UL listed for Damp and Wet Location.
- High Power Factor and other voltages also available upon request.
- Other options include emergency back up ballast, occupancy sensors, dimming ballasts, photocells and other specifications.
- Consult factory for any special requirements or specifications.
